Please submit this application, along with your resume by April 14, 2008. You must apply to Graduate School by no later than April 21, 2008. In your resume make sure that you provide at minimum, the following:

1. Institutions attended, along with degrees, certifications and credentials earned.
2. Please list your current and/or past teaching experience (levels, or subject area, years of experience, name and locations of schools).
3. List any other honors or achievements you have been recognized for as teacher.
4. Briefly identify any leadership position you may have held in the teaching profession (within your campus or district-wide).

In addition to your resume provide your philosophy of mentoring and a rationale as to why you are applying to become a Field Induction Specialists.

Thank you for taking the time to consider joining ATE's Cadre of Master Teachers. We look forward to meeting you soon.

**Note: You must apply online to the Graduate School as Special graduate no later than April 21, 2008. Please apply as soon as possible.**
