

The University of Texas at San Antonio

College of Education and Human Development

Interdisciplinary Learning and Teaching

The Academy for Teacher Excellence

presents

## **Rosa Hernández Sheets, Ph.D.**

### **Diversity Pedagogy Theory: Developing Cultural Competency**

Dr. Hernández Sheets, from Texas Tech University, is the author of *Diversity Pedagogy: Examining the Role of Culture in the Teaching-Learning Process* (2005). This book demonstrates and explicates the interconnectedness of culture and cognition. Her research examines teacher education and explores how successful teachers' respond to children's cultural displays of competency.

*Two chances to see her:*
