The Accelerated Teacher Education Program (ATEP) is a Transition to Teaching program funded by the U.S. Department of Education. ATEP is a comprehensive teacher preparation program designed to prepare and certify mathematics, science, and special education teachers.

Prerequisites:

- Bachelor's degree in math or science, or a degree in a math or science related field of study with 24 Hours in math or science coursework (12 hours in Upper Level Coursework)
- Bachelor's degree in a human services related field of study for the special education certification
- Grade point average of a 3.0 for the last 60 hours completed

If you are interested in learning about the wonderful opportunities ATEP has to offer, we invite you to attend one of the following Information Sessions.
