

The University of Texas at San Antonio
College of Education and Human Development
Academy for Teacher Excellence Research Center

Date: July 14th - 16th, 2020

Time: 9:00 am - 4:30 pm

The conference will be held virtually

The Summer Bridging Institute is a week-long institute that provides professional development workshops for both current and future educators of all grade levels and all subjects. Workshops are presented by local educators and focus on developing strategies that can be implemented to stimulate, guide, and build capacity of diverse student populations.

Sessions will focus on creating student-centered lessons and will address the following themes.

- STEM
- Student advocacy
- Instructional technology
- Self-Care
- Interdisciplinary Instructional Designs & Strategies
- Special Education
- Clinical Teaching
- Virtual Instruction

This institute is FREE for everyone

Earn up to 6 CPE hours per day

Registration is mandatory in order to receive instructions on how to join the institute.
